Total Acres of Conserved Land (permanently via land ownership or conservation easement)
Other
City/County
<ol style="list-style-type: none"> 1. For the EPS-HDT data collection tool; register and download the Microsoft Excel add-in. Once installed, follow instructions to select the appropriate county and select Land Use before running the report. 2. Pull the identified data above into a separate table, listed below, under the categories of Private Easements and Federal Lands Preserved (Type A&B) 3. Use the links above in conjunction with contacting state Fish and Game and Parks and Recreation agencies to determine the appropriate acres of state owned land that is under protected status and add to the table.
